

INFORMATION SHEET

Slimline Wall/Ceiling Fan

Code: 8179

expella™
VENTILATION
SERIES

exclusive to Newtech

Newtech's Slimline Wall Fan has a low profile, flat cover making the fan minimal and discreet. It is suitable for wall or ceiling mounting and is an effective exhaust solution for a variety of domestic and commercial applications.

Warranty

- 2 years

Applications and Installation

- Suitable for domestic or commercial single room applications including:
 - Bathrooms and powder rooms
 - Laundries
 - Portable buildings and classrooms
 - Small offices and meeting rooms
 - Utility rooms
- Fan can be wall or ceiling mounted, use in conjunction with an external grille
- Works with short lengths (up to 3 metres) of rigid or flexible duct (not included)
- Installation by an industry professional (electrician or air conditioning installer) is recommended
