TOP VIEW

Newtech heated towel rails are designed for NZ bathrooms. These are tested to ensure they meet the high product standards set by Australia and New Zealand AS/NZS 60335.

Our 10 years warranty offers our customers peace of mind knowing our products are free of defects, both in materials and workmanship. Colour finishes - Matte Black & Gunmetal 5 Year warranty.

Our Newtech freedom range of heated towel rails come with a 12V rating for use in Zone 1. This allows you to position your towel rail almost anywhere in your bathroom.

The installation of your towel rail must be performed by a registered electrician. Installation is to comply with AS/NZS 60335 Safety Standards.

Can be used in conjunction with a timer.

Manufactured from high quality durable stainless steel.

Notes:

All measurements shown are in millimetres. Sizes are nominal.
